CHECKLIST FOR USACE REGIONAL GENERAL PERMITS
FOR PUBLICLY FUNDED PROJECTS

___ Completed "Pre-Construction Notification Form"

___ Description of the proposed project; the project's purpose; direct and indirect adverse environmental effects the project would cause; any Nationwide Permit(s); other regional general permit(s); or individual permit(s) used or intended to be used to authorize any part of the proposed project or any related activity; SAID we would not allow stacking of other permit actions on these RGPs

___ Proof of public meeting, and copy of comments received

___ Discussion of the logical termini (linear projects only)

___ Statement concerning whether the project is part of a larger project;

___ Delineation of affected waters of the United States

___ 401 Water Quality Certification (not required for submittal of application)

___ Coastal Zone Management Consistency (not required for submittal of application)

___ Endangered Species Survey

___ Phase I Cultural Resources Survey

___ Plan and section view drawings

___ Discussion of all off-site and on-site alternatives

___ Avoidance and minimization documentation

___ Compensatory mitigation

Note: All information must be on 8 1/2 " X 11" paper and must be legible and reproducible. The use of color in exhibits is not acceptable because color does not reproduce in black and white (color infra-red aerial photographs are the only exception).
