SUSAN SHIPMAN, DIRECTOR  
Georgia Department of Natural Resources  
Coastal Resources Division  
One Conservation Way  
Brunswick, Georgia 31520-8687

Dear Ms. Shipman:

I am making application for a permit with the U.S. Department of the Army, Corps of Engineers, Savannah District. I understand that the issuance of such a permit will not relieve me of the obligation to obtain authorization from the State of Georgia since the proposed project would constitute an encroachment on the beds of tidewaters which are State-owned property. Accordingly, I hereby request that I be granted a revocable license from the State of Georgia. Attached hereto and made a part of this request is a copy of the plans and description of the project which will be the subject of such a license.

I understand that if permission from the State is granted, it will be a revocable license and will not constitute a license coupled with an interest. I further acknowledge that such a license would relate only to the property interests of the State and would not obviate the necessity of obtaining any other State license, permit or authorization required by State law.

I recognize that I waive my right of expectation of privacy and I do not have the permission of the State of Georgia to proceed with such project until a copy of this request has been signed by Commissioner Holcomb.

Sincerely,
