The U.S. Army Corps of Engineers' [Savannah District](#) manages [three lakes and hydroelectric dams](#) along the Savannah River. It also oversees a multi-billion dollar [military construction](#) program at 12 Army and Air Force installations in Georgia and North Carolina. Corps' projects range from barracks, hospitals and clinics to equipment shops, headquarters buildings and aircraft hangars. The Savannah District also has oversight and maintains additional civil works projects – from the Savannah and Brunswick harbors to the Atlantic Intracoastal Waterway.
