## Corps announces autumn camping opportunities at Lake Hartwell

**SAVANNAH, Ga.** – The [U.S. Army Corps of Engineers Savannah District](#) announces several options for fall camping at [Hartwell Dam and Lake](#).

Watsadler Campground in Hartwell, Ga., and Twin Lakes Campground in Pendleton, S.C., remain fully open until Nov. 30. After Dec. 1, both campgrounds will have one loop open for the winter months. Springfield Campground in Anderson, S.C., will remain open through Oct. 30.

PHOTO: Park Ranger Tanya Grant visits campers at the U.S. Army Corps of Engineers' Hartwell Lake.

“All three campgrounds feature electric and water hook-ups, restrooms with showers, dump stations, boat ramps, playgrounds, and staffed entrance gates; the majority of campsites also come with a lake view,” said Park Ranger Tanya Grant.

“Many people enjoy the cooler temperatures that we have this time of year,” Grant said. “The campgrounds also tend to be less crowded in the fall, especially on weekdays.”

Campsite reservations are always recommended and can be made through the National Recreation Reservation Service online at [www.Recreation.gov](http://www.Recreation.gov) or toll-free at 877-444-6777.

For questions about Hartwell Lake campgrounds please contact the Hartwell Dam & Lake office at 706-856-0300 or toll-free at 1-888-893-0678.

**ABOUT US:** The U.S. Army Corps of Engineers' [Savannah District](#) manages [three lakes and hydroelectric dams](#) along the Savannah River. It also oversees a multi-billion dollar [military construction](#) program at 11 Army and Air Force installations in Georgia and North Carolina. Corps' projects range from barracks, hospitals and clinics to maintenance facilities, headquarters buildings and aircraft hangars. The Savannah District also has oversight and maintains additional civil works projects – from the Savannah and Brunswick harbors to the Atlantic Intracoastal Waterway.
