MEMORANDUM FOR COMMANDER, U.S. Army Corps of Engineers, Savannah District

SUBJECT: Savannah Harbor Expansion Project (SHEP), Georgia and South Carolina, Fish Passage at New Savannah Bluff Lock and Dam (NSBLD), Integrated Post-Authorization Analysis Report and Environmental Assessment

1. References:

- a. Memorandum, CESAS-PPMD, 8 December 2017, subject as above.
- b. Engineer Circular 1165-2-214, Civil Works Review, 15 December 2012.
- c. Planning Bulletin 2016-02, Civil Works Review, 4 March 2016.

2. Savannah District prepared the enclosed review plan in accordance with Engineer Circular 1165-2-214. Savannah District coordinated preparation of the review plan with the Planning Center of Expertise for Inland Navigation and Risk-Informed Economics Division (PCXIN-RED) of the Great Lakes and Ohio River Division, which is the lead office to execute this review plan. The PCXIN-RED recommends approval of the review plan. The review plan includes Type I Independent External Peer Review (IEPR).

3. I hereby approve this Review Plan, which is subject to change as circumstances require, consistent with study development under the Project Management Business Process. Subsequent significant revisions to this Review Plan or its execution will require new written approval from this office. The District shall post the approved Review Plan and a copy of this approval memorandum to the District public internet website and provide a link to the PCXIN-RED for their use. Before posting to the website, the names of Corps employees should be removed.

4. The point of contact for this action is Mr. Patrick O'Donnell at (404) 562-5226 or patrick.e.odonnell@usace.army.mil.
