**PUBLIC NOTICE
SAVANNAH DISTRICT, REGULATORY DIVISION
2017 MONTHLY AGENCY MEETINGS**

The 2017 schedule for the Savannah District's, Regulatory Division (RD) monthly agency meetings is enclosed. Agency meetings are held in the Savannah District Office for projects located in the Coastal Branch (RD-C) area of Georgia. Meetings are held in the Morrow Field Office, for projects located in the Piedmont Branch (RD-P) area. A map depicting the RD-C and RD-P areas of Georgia is enclosed.

Contact RD-C or RD-P at least one month in advance of the desired meeting date to schedule a meeting. A Project Manager (PM) or Regulatory Specialist (RS) will be assigned to the project, and will assist with scheduling a date and time for the meeting. The assigned PM/RS will also provide instructions for submitting an information package (project description, maps, drawings, plans, etc.) to federal and state resource agencies. If an information package is not submitted at least two weeks prior to the date of a scheduled meeting, the meeting will be cancelled.

The prerequisites for scheduling a meeting to discuss a proposed mitigation bank are outlined in the enclosed diagram titled "Draft Prospectus Process and Timeline." For detailed information concerning the mitigation bank review and approval process, refer to the document titled "Savannah District, U.S. Army Corps of Engineers, Draft Guidelines to establish and Operate Mitigation Banks in Georgia," located at <http://www.sas.usace.army.mil/Missions/Regulatory/Mitigation/Commercial-Mitigation-Bank-Development/>.
