Water Safety

Hartwell Lake is provided for the use and enjoyment of you, our visitor. To insure your enjoyment, you should observe safety precautions when using the lake's waters for swimming, boating and other activities. As there are no lifeguards on duty, visitors should be alert to underwater hazards such as submerged logs, stumps and rocks which are present in the lake and not usually visible. You should also be aware that the depth of water in the lake varies in different areas and at different times.

Swimming Tips:

- Never rely on toys, such as inner tubes and water wings to stay afloat.
- Don't take chances, by overestimating your swimming skills.
- Swim only in designated swimming areas.
- Never swim alone.
- Watch your children at all times when in and around water.
- Always let someone know where you will be when visiting the lake, and when you expect to return.
- Avoid swimming near regular boat channels, launching ramps and docks.

IT WON'T WORK

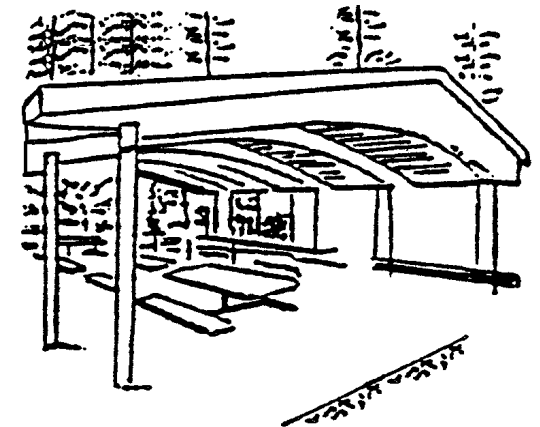

IF YOU DON'T WEAR IT!

Picnic Shelter & Day Use Area Reservation Information

Hartwell Lake

**US Army Corps
of Engineers®**
Savannah District

March 2014

The U.S. Army Corps of Engineers has 17 picnic shelters and a day use area available for your group to reserve at Hartwell Lake. These facilities are ideal places to hold family reunions, church or company picnics, meetings and other group outings.

Most picnic shelters and day use areas are lakefront and feature large cooking grills, tables, electrical outlets and shelter lighting. Located in close proximity to most shelters are restrooms, potable water, playgrounds and boat launching ramps.

Fees for picnic shelters are \$30 - \$80 per day. The reservable day use area, located at River Forks, is \$150 per day. Your reservation entitles your group to use the facility during posted park operational hours. Please note that most areas require an additional \$4 area use fee for each vehicle entering the park. This fee is not included within the reservation fee except for the person making the reservation (must also possess confirmation letter).

Parking at the picnic shelters is limited and not guaranteed. To assure adequate parking spaces, please plan to arrive at the facility as early as possible.
