**NOTICE TO MARINERS**  
**SAVANNAH RIVER**

This is to advise that the Augusta Port Authority, the Augusta Rowing Club, and the City of Augusta-Richmond County will be sponsoring the Annual Head of the South Regatta on the Savannah River. The course would extend approximately 3.2 miles between River Mile Marker 187.5 and River Mile Marker 203 (approximate Latitude 33.4815, Longitude -81.9698) on the Savannah River, in Augusta, Richmond County, Georgia. The site and course layout (temporary buoys) are shown on the enclosed maps and plans.

This event is scheduled at 0600-1800 on Saturday, November 10, 2012. The temporary structures will be placed on Wednesday, November 7, 2012, and removed Sunday, November 11, 2012, by noon.

This race is being permitted by the United States Coast Guard (USCG). The USCG will "regulate" the Savannah River in the area of the rowing regatta. In order that the race may be conducted safely, vessel owners and operators are requested to remain clear of any vessels and patrol boats involved in the race activities. Signs will be posted at the affected boat ramps on the Georgia and South Carolina sides of the River.

The Georgia Department of Natural Resources, the South Carolina Wildlife and Marine Resources Department, and the Richmond County Emergency Management Agency will provide personnel and boats to assist with the patrol of the river.

Anyone desiring further information may contact Mr. Gene Gilbert, Augusta Rowing Club at (706) 432-0022.
