## Hartwell Dam Quarry Hunting Area to close temporarily to the public Nov. 26 - 30

**SAVANNAH, Ga.** – The [U.S. Army Corps of Engineers](#) will temporary close the Hartwell Dam Quarry Hunting Area, located on the Georgia side of [Hartwell Lake](#) near the intersection of highways 181 and 29, from Nov. 26 through Nov. 30. During this time, the 410-acre hunting area will be closed to the general public due to a deer hunt hosted by the Hartwell Project Office and the Paralyzed Veterans of America.

All other Corps-managed recreation areas designated for archery and small game hunting for the 2012-2013 hunting season in South Carolina and Georgia will remain open to the public.

For additional information regarding the temporary closing of the Hartwell Dam Quarry Hunting Area or for general questions on Hartwell Lake, contact the Hartwell Operations Manager's Office toll free at 1-888-893-0678 or visit the Hartwell Lake website at: <http://www.sas.usace.army.mil/lakes/hartwell/>

**ABOUT US:** The U.S. Army Corps of Engineers' [Savannah District](#) manages [three lakes and hydroelectric dams](#) along the Savannah River. It also oversees a multi-billion dollar [military construction](#) program at 11 Army and Air Force installations in Georgia and North Carolina. Corps' projects range from barracks, hospitals and clinics to maintenance facilities, headquarters buildings and aircraft hangars. The Savannah District also has oversight and maintains additional civil works projects – from the Savannah and Brunswick harbors to the Atlantic Intracoastal Waterway.
