what to do if you find ammo.

To parents and teachers:

This coloring book was developed to promote safety awareness to children who may find remnants of military munitions (ammo) while playing or exploring. Discuss with your children any areas where the military may have used munitions or installations on which the military currently trains. You are encouraged to teach your children the 3Rs (Recognize, Retreat, Report) safety message.

Recognize ○ Realize when you may
○ have found ammo

Retreat ○ Do not touch, move, or disturb
○ ammo--carefully leave the area,
but do not run

Report ○ Tell a parent or other adult
○ to call 911

RETREAT

Don't touch it!

Roxie turns and leaves the dangerous area the same way she got there.

REPORT

Roxie, with help from an adult, calls 911 and describes what she found and where she found it.

Roxie has saved the day!

She remembered the 3Rs of explosives safety:

RECOGNIZE, RETREAT, REPORT

Help Roxie keep your neighborhood safe by quickly reporting any strange items you find.
