Savannah is located on the Georgia/South Carolina border on the Atlantic Ocean and is easily accessible by I-95 and I-16. Economically vital to our Nation, the region is a vibrant tourism destination and the Savannah River supports the fourth largest container port in the United States. Savannah is military and family friendly, home to the Third Infantry Division with Hunter Army Airfield and Ft. Stewart, just 30 miles away in Hinesville, GA.

- Provide consulting services to other Districts elements and, as an expert in the field of geotechnical engineering, contributes to the solution of unusual and difficult soils problems.
- Prepares drawings, earthwork specifications, and other design documents for geotechnical portion of assigned projects.
- Conduct periodic inspections of assigned civil work projects to ensure established criteria is followed to avoid construction problems.
- Designs rock groins, jetties, and breakwaters using hydraulic data furnish by other District organization.

## 0810 Civil Engineering

[lp](#)

- Male applicants born after December 31, 1959, must complete a Pre-Employment Certification Statement for Selective Service Registration.
- Appointment to this position is subject to a two year probationary period unless the appointee has previously meet the requirements as described in 5 CFR Part 315.
- Appointment may be subject to a suitability or fitness determination, as determined by a completed background investigation.
- Business Travel up to 35%

In order to qualify, you must meet the education and/or experience requirements described below. Experience refers to paid and unpaid experience, including volunteer work done through National Service programs (e.g., Peace Corps, AmeriCorps) and other organizations (e.g., professional; philanthropic; religious; spiritual; community; student; social). You will receive credit for all qualifying experience, including volunteer experience. Your resume must clearly describe your relevant experience; if qualifying based on education, your transcripts will be required as part of your application. Additional information about transcripts is [in this document](#).

A. Degree: Bachelor's degree (or higher degree) in engineering. To be acceptable, the program must: (1)

lead to a bachelor's degree (or higher degree) in a school of engineering with at least one program accredited by the Accreditation Board for Engineering and Technology (ABET); OR (2) include differential and integral calculus and courses (more advanced than first-year physics and chemistry) in five of the following seven areas of engineering science or physics: (a) statics, dynamics; (b) strength of materials (stress-strain relationships); (c) fluid mechanics, hydraulics; (d) thermodynamics; (e) electrical fields and circuits; (f) nature and properties of materials (relating particle and aggregate structure to properties); and (g) any other comparable area of fundamental engineering science or physics, such as optics, heat transfer, soil mechanics, or electronics.

OR

B. Combination of Education and Experience: College-level education, training, and/or technical experience that furnished (1) a thorough knowledge of the physical and mathematical sciences underlying engineering, and (2) a good understanding, both theoretical and practical, of the engineering sciences and techniques and their applications to one of the branches of engineering. The adequacy of such background must be demonstrated by one of the following:

1. Professional registration or licensure - Current registration as an Engineer Intern (EI), Engineer in Training (EIT), or licensure as a Professional Engineer (PE) by any State, the District of Columbia, Guam, or Puerto Rico. Absent other means of qualifying under this standard, those applicants who achieved such registration by means other than written test (e.g., State grandfather or eminence provisions) are eligible only for positions that are within or closely related to the specialty field of their registration. For example, an applicant who attains registration through a State Board's eminence provision as a manufacturing engineer typically would be rated eligible only for manufacturing engineering positions.
2. Written Test - Evidence of having successfully passed the Fundamentals of Engineering (FE) examination, or any other written test required for professional registration, by an engineering licensure board in the various States, the District of Columbia, Guam, or Puerto Rico.
3. Specified academic courses - Successful completion of at least 60 semester hours of courses in the physical, mathematical, and engineering sciences and that included the courses specified in A above. The courses must be fully acceptable toward meeting the requirements of an engineering program.
4. Related curriculum - Successful completion of a curriculum leading to a bachelor's degree in an appropriate scientific field, e.g., engineering technology, physics, chemistry, architecture, computer science, mathematics, hydrology, or geology, may be accepted in lieu of a degree in engineering, provided the applicant has had at least 1 year of professional engineering experience acquired under professional engineering supervision and guidance. Ordinarily there should be either an established plan of intensive training to develop professional engineering competence, or several years of prior professional engineering-type experience, e.g., in interdisciplinary positions.

In addition to meeting the basic requirement above, to qualify for this position you must also meet the qualification requirements listed below:

: Specialized Experience: One year of specialized experience which includes responsible for preparation of geo-technical evaluations and design analyses; soil data analysis; and promoting dam and levee safety by providing geo-technical review and evaluation of a project; performing foundation analysis and design for assigned civil works, military and Hazardous, Toxic, and Radiological Waste (HTRW) projects such as earth, dams, levees, dredge disposal dikes, bridges, buildings, and other structures supported by soils; developing and reviewing risk assessments, analyzing potential failure modes, and issue evaluation studies; preparing technical reports and design documents. This definition of specialized experience is typical of work performed at the next lower grade/level position in the federal service (GS-11).

Some federal jobs allow you to substitute your education for the required experience in order to qualify. For this job, you must meet the qualification requirement using experience alone--no substitution of education for experience

You will be evaluated on the basis of your level of competency in the following areas:

If you are using education completed in foreign colleges or universities to meet the qualification requirements, you must show the education credentials have been evaluated by a private organization that specializes in interpretation of foreign education programs and such education has been deemed equivalent to that gained in an accredited U.S. education program; or full credit has been given for the courses at a U.S. accredited college or university. For further information, visit: <http://www.ed.gov/about/offices/list/ous/international/usnei/us/edlite-visitus-forrecog.html>

Male applicants born after December 31, 1959, must complete a Pre-Employment Certification Statement for Selective Service Registration.

You will be required to provide proof of U.S. Citizenship.

Two year trial/probationary period may be required.

Direct Deposit of Pay is required.

Selection is subject to restrictions resulting from Department of Defense referral system for displaced employees.

If you have retired from federal service and you are interested in employment as a reemployed annuitant, see the information in the [Reemployed Annuitant](#) information sheet.

This is a Career Program (CP) 18 - Engineer & Scientist position.

You may claim military spouse preference.

Multiple positions may be filled from this announcement.

Salary includes applicable locality pay or Local Market Supplement.

Interagency Career Transition Assistance Program (ICTAP). If you are a Federal employee in the competitive service and your agency has notified you in writing that you are a displaced employee eligible for ICTAP consideration, you may receive selection priority for this position. To receive selection priority, you must: (1) meet ICTAP eligibility criteria (2) be rated well-qualified for the position and; (3) submit the appropriate documentation to support your ICTAP eligibility. To be considered well-qualified and receive selection priority applicants must satisfy all qualification requirements for the position and receive a score of 90 or above. Additional information about the program is on [OPM's Career Transition Resources website](#).

When you perform a Moving Expenses with the government, the Internal Revenue Service (IRS) considers the majority of your entitlements to be taxable. Visit [https://www.gsa.gov/cdnstatic/FTR%20Bulletin%2018\\_05%20Relocation%20Allowances\\_0.pdf](https://www.gsa.gov/cdnstatic/FTR%20Bulletin%2018_05%20Relocation%20Allowances_0.pdf) for more information.

If you are unable to apply online or need to fax a document you do not have in electronic form, view the following link for information regarding an [Alternate Application](#).

Moving Expense costs is authorized, subject to the provisions of the Joint Travel Regulations.

Recruitment or Relocation Incentive is authorized.

Once the announcement has closed, a review of [your application package](#) (resume, supporting documents, and responses to the questionnaire) will be used to determine whether you meet the qualification requirements listed on this announcement. If you are minimally qualified, your résumé and supporting documentation will be compared against your responses to the assessment questionnaire to determine your level of experience. If, after reviewing your résumé and/or supporting documentation, a determination is made that you have inflated your qualifications and/or experience, you may lose consideration for this position. Please follow all instructions carefully when applying, errors or omissions may affect your eligibility.

You should list any relevant performance appraisals and incentive awards in your resume as that information may be taken into consideration during the selection process. If selected, you may be required to provide supporting documentation.

Qualified candidates will be assigned to one of three quality categories: Best

Qualified, Highly Qualified and Qualified. Veteran preference eligibles are listed ahead of non-preference eligibles within each quality category.

Best Qualified. Candidates in this category possess exceptional skills and experience to exceed well above the minimum requirements for the announced position.

Highly Qualified. Candidates in this category possess good skills and experience above the minimum requirements for the announced position.

Qualified. Candidates in this category meet the minimum experience requirements for the announced position.

[Not Applicable](#)

No

[lp](#)

The documents you are required to submit vary based on whether or not you are eligible for preference in federal employment. A complete description of preference categories and the associated required documents is in the [Applicant Checklist \(External\)](#).

As described above, your complete application includes your resume, your responses to the online questionnaire, and documents which prove your eligibility to apply.

Your resume may be submitted in any format and must support the specialized experience described in this announcement.

If your resume includes a photograph or other inappropriate material or content, it will not be used to make eligibility and qualification determinations and you may not be considered for this vacancy.

For qualifications determinations your resume must contain hours worked per week and the dates of employment (i.e., HRS per week and month/year to month/year or month/year to present). If your

resume does not contain this information, your application may be marked as incomplete and you may not receive consideration for this position.

For additional information see: [What to include in your resume.](#)

Cover Letter, optional

Most recent Performance Appraisal, if applicable

This position has an individual occupational requirement and/or allows for substitution of education for experience. If you meet this requirement based on education you MUST submit a copy of your transcript with your application package or you will be rated ineligible. See: [Transcripts and Licenses](#)

This position requires a job-related license or certification. You MUST submit a copy of your license or certification with your application package or you will be rated ineligible. See: [Transcripts and Licenses](#)

NOTE: Documents submitted as part of the application package, to include supplemental documents, may be shared beyond the Human Resources Office. Some supplemental documents such as military orders and marriage certificates may contain personal information for someone other than you. You may sanitize these documents to remove another person's personal information before you submit your application. You may be asked to provide an un-sanitized version of the documents if you are selected to confirm your eligibility.

Education must be accredited by an accrediting institution recognized by the U.S. Department of Education in order for it to be credited towards qualifications. Therefore, provide only the attendance and/or degrees from schools accredited by accrediting institutions recognized by the U.S. Department of Education.

Failure to provide all of the required information as stated in this vacancy announcement may result in an ineligible rating or may affect the overall rating.

A career with the U.S. Government provides employees with a comprehensive benefits package. As a federal employee, you and your family will have access to a range of benefits that are designed to make your federal career very rewarding. [Learn more about federal benefits.](#)

The Federal hiring process is setup to be fair and transparent. Please read the following guidance.

The United States Government does not discriminate in employment on the basis of race, color, religion, sex (including pregnancy And gender identity), national origin, political affiliation, sexual orientation, marital status, disability, genetic information, age, membership in an employee organization, retaliation, parental status, military service, or other non-merit factor.

- [Equal Employment Opportunity \(EEO\) office at OPM](#)
- [Office of Equal Opportunity](#)

Federal agencies must provide reasonable accommodation to applicants with disabilities where appropriate. Applicants requiring reasonable accommodation for any part of the application and hiring process should contact the hiring agency directly. Determinations on requests for reasonable accommodation will be made on a Case-by-Case basis.

A reasonable accommodation is any change in the workplace or the way things are customarily done that provides an equal employment opportunity to an individual with a disability. Under the Rehabilitation Act of 1973 the Equal Employment Opportunity Commission (EEOC) must provide reasonable accommodations:

- When an applicant with a disability needs an accommodation to have an equal opportunity to compete For a job;

- When an employee with a disability needs an accommodation to perform the essential functions of the job or To gain access to the workplace; And
- When an employee with a disability needs an accommodation to enjoy equal access to benefits and privileges of employment (e.g., details, trainings, office-sponsored events).
