

Family Emergency Preparedness Plan

Emergency Actions

The instruction to evacuate is issued by your County with enabling guidance from the District Commander. Here are some helpful before and after memory joggers:

Before a storm is on the radar:

- Be knowledgeable! Refer to District Emergency Preparedness plans and talk to Emergency Management for help
- Make your evacuation plan, know where you and your family are going and discuss the plan with your family
- Confirm your insurance coverage

Build your evacuation kit

During storm season:

- Keep your vehicles and kit maintained
- Stay informed of weather conditions

When a storm is approaching:

- Monitor weather reports and follow official instructions
- Prepare valuables

Valuables	Small	Large
Replaceable	Document and Leave	
Irreplaceable	Evacuate with you	Document, Protect, Leave

Important Must-Haves

Drivers License	Credit Cards/Cash
Passports	Medications
CAC/ID Cards	Proof of Residence
Birth Certificates	Insurance Cards
Social Security Cards	Vehicle Records

- Make arrangements for arrival at your intended evacuation location

Decide when to evacuate.

- **Just-in-case vs. Just-in-time vs. Too Late!**
- Economic factors may drive the decision

Early Evacuation: Pros and Cons

- | | |
|--|---|
| <ul style="list-style-type: none">• Beat the traffic• Hotels available• Comfort• Minimal stress• Stores still open• Ideal for Special Needs | <ul style="list-style-type: none">• Possible wasted expenses• Lost work time |
|--|---|

After a disaster stay informed and heed official instructions
