l. I understand that work may entail extended work shift of 12-16 hours a day. Generally, indoor work location has power, water, heating and air conditioning, although outages should be expected. Lack of sleep may occur due to long work hours and uncomfortable living conditions. Employee will report symptoms of stress and fatigue to the on-site supervisor. Living conditions range from having all basic amenities; light, power, water, refrigeration, to not having one or more of these amenities. Employees who need to store refrigerated medication shall prior to departure from the primary duty station, inform the local EOC so availability of refrigeration at the work site can be determined. Environmental conditions at work locations may range from excessive heat and humidity to extreme cold and rainy. Some locations require that the employee be able to maintain stable mobility in sandy and unstable terrain. Although some work is sedentary, there may be some lifting involved in the work.

m. I understand that there is a 1 year dwell time after all deployments that are 6 months or longer.
