

NOTES:

1. Surface sweep, vegetation reduction, and PLS survey were completed over the 717-acre Area 1.
2. Map does not reflect the impacts of Hurricane Helene on the work remaining in Project 07.
3. Intrusive Partially Complete denotes grids where TOI and/or analog remain to be completed in Phase II Remedial Action. No remedial work remains in Intrusive Complete QA Approved grids.

¹ Includes grids where no intrusive investigation was required.

² Assumes all analog needs to be performed.
