Regulatory Branch

PUBLIC NOTICE
Savannah District Paperless Permitting Comment Period

On Tuesday, February 19, 2019, the U.S. Army Corps of Engineers (Corps), Savannah District, Regulatory Branch, transitioned to paperless/electronic submittals as our primary means of accepting applications for all counties in Georgia. This includes, but is not limited to: applications for Section 404 Clean Water Act and Section 10 Rivers and Harbors Act Individual Permits (Standard Permits and Letters of Permission), Pre-Construction Notifications for use of Nationwide or Regional General Permits, Aquatic Resource Delineation Reviews and Jurisdictional Determinations, and mitigation proposals (mitigation banks, in-lieu fee, permittee responsible mitigation plans). For reporting unauthorized activities in waters of the United States, you may contact the regulatory office that services your location or you can complete a Savannah District Violation Report Form and email it to the appropriate regulatory office. The form can be found at:

https://www.sas.usace.army.mil/Portals/61/docs/regulatory/Enforcement_SAS_Violation_Report_Form.pdf.

Please note that for larger submittals, the AMRDEC SAFE site is again available for use. Instructions for use of the SAFE site are enclosed and can also be found on our website. Attached is a copy of the Consultant Courtesy list for the state of Georgia.

SAFE website:

Comment Period: Anyone wishing to comment on this process should submit written comments to: Commander, U.S. Army Corps of Engineers, Savannah District, Regulatory Branch, Attention: Mr. William M. Rutlin, 100 West Oglethorpe Avenue Savannah, Georgia 31401-3604, during the first six months of this process (until August 19, 2019). Comments may also be submitted electronically to William.M.Rutlin@usace.army.mil. Please refer to the Savannah District Paperless Permitting in your comments. The supporting document associated with this process is available at the following web address:

[https://www.sas.usace.army.mil/Portals/61/docs/Regulatory/Paperless%20PUBLIC%20NOTICE_01-18-2019_%20\(SFS\).pdf?ver=2019-01-18-135512-677](https://www.sas.usace.army.mil/Portals/61/docs/Regulatory/Paperless%20PUBLIC%20NOTICE_01-18-2019_%20(SFS).pdf?ver=2019-01-18-135512-677)

Information on our paperless permit application procedure can also be found on our website at the following web address:

Instructions for using the U.S. Army SAFE (SAFE) Upload Website

For submissions of electronic files over 40 MB to the Sacramento District, please upload attachments to the SAFE website. Below are instructions on how to use the site.

Step 1. Accessing SAFE

Using your internet browser, navigate to:

<https://safe.amrdec.army.mil/safe/Welcome.aspx>

SAFE is designed to work on Microsoft Windows and Internet Explorer for AMRDEC and its customers. Some features may not work as intended otherwise.

If you receive a warning message or script errors, try adding SAFE as a trusted site through the Internet Explorer Tools pull down menu. Then choose Internet Options, the Security tab, pick Trusted Sites, click the Sites button, and add *.army.mil to the list of websites.

And, add SAFE to the list of sites always allowed to use cookies through the Internet Explorer Tools pull down menu. Then choose Internet Options, the Privacy tab, click the Sites button, and add army.mil to the list of managed websites.

If you need further assistance, please email the SAFE Team at usarmy.redstone.rdecom-amrdec.mbx.safe-team@mail.mil or call 256-336-1200 for help with problems sending or receiving files.

Step 2. Sending Files

There are two options to proceed from the SAFE homepage:

- **CAC User** - Select this option if you have a valid US DoD-issued Common Access Card (CAC).
- **Non-CAC User**- Select this option if you do not have a US DoD-issued CAC (**e.g. general public**).

SAFE
Safe Access File Exchange

SAFE is an alternative way to send files other than email. SAFE supports file sizes up to **2GB** for **UNCLASSIFIED DATA ONLY** to include PII and FOUO.

[Click here for Getting Started Guide](#)

To begin using SAFE please click on one of the links below.

Welcome to the SAFE Web Application

CAC Users
This option is for CAC users with a computer configured for CAC use. When prompted for a certificate, select the one with "EMAIL" in the name.

[Click Here](#)

Or

Non-CAC Users
For users **without** a CAC **OR** if your computer is **not** configured to read your CAC. Using this option will allow you to access SAFE as a **guest**.

[Click Here](#)

Step 3. Name and Email Address

After selecting one of the options above, the page will be redirected to the package upload form. Fill in all the required input fields:

- **Your Name** - Your name;
- **Your Email address** - Your email address;
- **Confirm Your Email Address** - Re-enter your email address;

The screenshot shows the top navigation bar with 'AMRDEC SAFE' and links for 'Home', 'About', and 'Help'. Below the navigation is a blue banner with the 'SAFE' logo and the text 'Safe Access File Exchange'. A green button labeled 'Click here for Getting Started Guide' is also present. The main content area is titled 'UNCLASSIFIED USE ONLY, TO INCLUDE PRIVACY DATA' and contains a 'Personal Information' section with three input fields: 'Your Name' (containing 'John Doe'), 'Your Email Address' (containing 'JohnDoe@Xmail.com'), and 'Confirm Your Email Address' (containing 'JohnDoe@Xmail.com'). Each field has a 'HELP' button to its right. Below this is a 'File Information' section which is currently empty.

Step 4. File Information

Click the "Choose File" button to select your file(s). You may add up to 25 files per package, so long as the total file size does not exceed **2 GB**;

The screenshot shows the 'File Information' section of the form. It features a pink 'Notice' box with the following text: 'SAFE is not for personal use and is to be used only in direct support of your job function.', 'SAFE is for UNCLASSIFIED data only to include PII and FOUO.', 'Files will be available for two (2) days after upload.', 'Contact the intended recipient(s) before submitting a package to ensure they are available to receive the file(s).', and 'You and your organization will be held accountable for non-compliant activity on SAFE.' Below the notice is a 'Choose File' button with the text 'No file chosen' and a 'HELP' button. Underneath, it states '25 Maximum Files (total size cannot exceed 2GB)' and 'File(s):'. To the right is a 'Description of File(s):' section with a large text input area and a 'HELP' button. A red banner at the bottom of the description area reads 'Do NOT enter Privacy Act Data (PII) in the description.'

Step 5. Description

Enter a description of the package, including **project/site name** (if known), **Corps ID number** (if previously assigned), **type of action** (i.e. aquatic resource delineation, permit application, monitoring report, etc.), and the **County and State where the project/site is located (REQUIRED)**.

Courtesy List of Georgia Environmental Consultants

The following list of environmental consulting firms is presented as a courtesy to help the general public find professional assistance in matters related to: the Clean Water Act; Rivers and Harbors Act; and the Marine, Research, and Sanctuaries Act. These matters may include wetland delineations, endangered species surveys and the preparation of permit applications to the Corps for projects occurring within the State of Georgia.

This list is not all-inclusive and this list contains only firms who have requested listing. This office is willing to work with any and all qualified environmental consultants. It is the responsibility of the consulting firms to update this office with changes to their contact information. This list is provided as a service to the public and this list will be updated as workload allows

This list is organized first by State in which the firm is located, then by City/Town of the consultants' office and/or mailing address, followed by name of the consulting firm in alphabetical order. The location of the office does not necessarily indicate the geographical area in Georgia where the consultant works. The consultant should be contacted directly to determine the geographical area the consultant works, what type of work the consultant specializes in and the costs associated with the consultant's services, etc.

Please be aware that inclusion on this list should not be considered an endorsement by U.S. Army Corps of Engineers of any listed consultant or firm. No recommendation or guarantee of competence or experience is implied by this listing. The Corps of Engineers neither endorses nor accepts responsibility for work performed by any firm on this list. We suggest that prospective clients ask for credentials before contracting for professional services.

The Corps is the final authority with respect to the delineation of waters of the US, as well as determination of activities requiring permits from the Corps. All wetland delineations must be conducted in accordance with the current method required by the Corps.
