Regulatory Branch

**PUBLIC NOTICE**  
**Savannah District Paperless Permitting**

On Tuesday, February 19, 2019, the U.S. Army Corps of Engineers (Corps), Savannah District, Regulatory Branch, will transition to paperless/electronic submittals as our primary means of accepting applications for all counties in Georgia. This includes, but is not limited to, applications for Section 404 Clean Water Act and Section 10 Rivers and Harbors Act Individual Permits (Standard Permits and Letters of Permission), Pre-Construction Notifications for use of Nationwide or Regional General Permits, Aquatic Resource Delineation Reviews and Jurisdictional Determinations.

Process for Electronic Submissions: Please email your permit applications, pre-construction notifications, pre-applications, permit modification requests, and aquatic resource delineation review/jurisdictional determination requests (with wetland delineations) to the following email addresses (see attached map for the appropriate email address). For files larger than 20 megabytes (MB), please send an email to the appropriate contact and we will provide a link with instructions for your submittal.

Coastal Counties:

[CESAS-OP-FC@usace.army.mil](mailto:CESAS-OP-FC@usace.army.mil)

Piedmont Counties:

[CESAS-OP-FP@usace.army.mil](mailto:CESAS-OP-FP@usace.army.mil)

GDOT projects:

[CESAS-RD-GDOT-ESubmittal@usace.army.mil](mailto:CESAS-RD-GDOT-ESubmittal@usace.army.mil)

For all general regulatory inquiries, please email [CESAS-RD@usace.army.mil](mailto:CESAS-RD@usace.army.mil) or call 912-652-5050.

All documents should be formatted as Adobe Acrobat PDF files. You will receive a receipt notification email with the project number and the Project Manager (PM) assigned to your project. Once a PM is assigned, you may email additional items directly to the PM, or receive instructions to submit files larger than 20 MB.

If you do not receive a receipt notification email after 5 working days from the date of your electronic permit application submission, in the Piedmont Area of Responsibility (AOR), (see attached map), call 678-422-2735, in the Coastal AOR, call 912-652-5893, for general inquiries, contact 912-652-5050.

This paperless transition will not alter the permit process. The use of electronic communications is expected to reduce transmittal delays and improve timeliness of the permit process. While electronic submittals will be the preferred method; the Corps will continue to accept hard copies of permit applications and other correspondence. The Corps will also not send hard copy correspondence (including permits or other decision letters) unless specifically requested. Hard copies should be mailed to the Savannah District Office, Morrow Field Office, or Albany Field Office, as appropriate, at one of the following addresses:

USACE Savannah District  
ATTN: CESAS-OP-F  
100 West Oglethorpe Avenue  
Savannah, Georgia 31401

USACE Morrow Field Office  
1590 Adamson Parkway  
The Plaza, Suite 200  
Morrow, Georgia 30260-1777

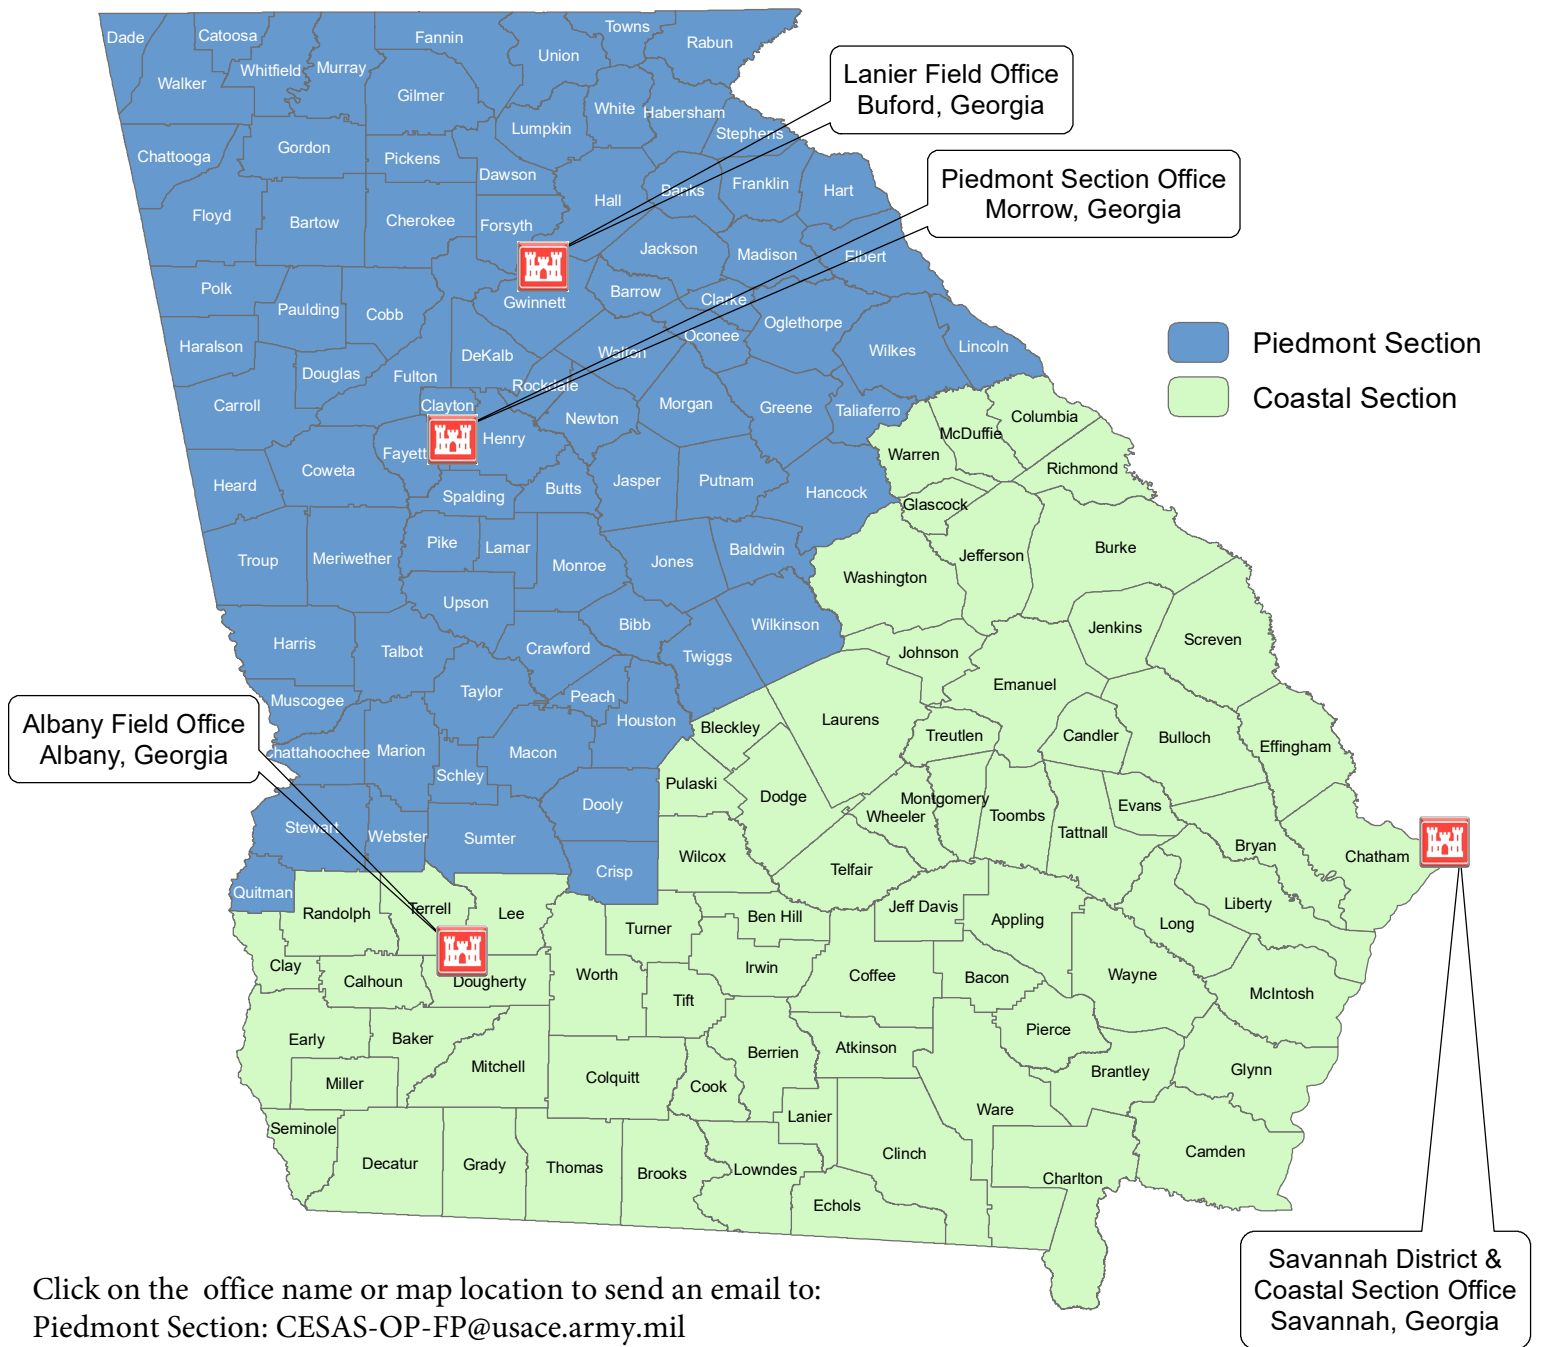

Albany Field Office  
1104 North Westover Boulevard, Unit 9  
Albany, Georgia 31707

Anyone wishing to comment on this proposal should submit comments in writing to the Commander, U.S. Army Corps of Engineers, Savannah District, Attention: Mr. William M. Rutlin, 100 West Oglethorpe Avenue Savannah, Georgia 31401-3604, no later than 30 days from the date of this notice.

If you have any further questions concerning this matter, please contact Mr. William Rutlin, Chief, Coastal Section, 912-652-5893.
