

CAMPING AT HARTWELL LAKE

Camping is one of our most popular outdoor recreation activities at Hartwell Lake. The U.S. Army Corps of Engineers manages 7 campgrounds at Hartwell Lake that encompass 453 campsites. Many campgrounds feature restrooms, shower houses, playgrounds, boat ramps, and electric and water hook-ups. Our campgrounds, except Crescent and Georgia River, feature resident park attendants who register incoming campers and ensure the campground is operated to provide the safest, most enjoyable experience. Reservations required, except at Georgia River (first-come, first-served). Detailed campground information including facility descriptions and campground maps, is located at www.sas.usace.army.mil/lakes/hartwell or www.recreation.gov.

Listed below are some of the established procedures in effect at our campgrounds. Please see the campground host or a park ranger for complete rules and regulations.

GROUP CAMPING

Crescent Group Campground

Crescent Group Camp is ideal for groups large and small desiring to camp together as well as for family reunions, church picnics, and other group outings. Open areas throughout the park allow for games and other activities. Reservations required.

Crescent Campground features two group camp areas - Loop A and Loop B. Each loop features lakeside campsites, a large picnic shelter and a grill. There is a centrally located restroom/showerhouse shared by both loops; Loop B has an additional restroom. Loop A features 10 campsites with electrical and water hookups on each site and has a maximum capacity of 100 campers. Loop B features 22 campsites with electrical and water hookups on each site and has a maximum capacity of 220 campers. *Crescent Campground does not have resident park attendants.*

Fees: Loop A = \$180/night; Loop B = \$396/night

FEDERAL DISCOUNT PASSES

America the Beautiful Interagency Senior and Access Passes as well as Golden Age and Golden Access Passes are honored at all Corps managed campgrounds with the exception of double sites and group camp areas. Cardholders are entitled to a 50% discount on camping fees. The cardholder must be present at registration, show pass and I.D., and camp during the entire stay. Discount passes are NOT transferable!

GRAY WATER NOTICE TO ALL CAMPERS

Gray water is any wastewater from sinks, dishwashing, camper washing, etc. Improper disposal of gray water attracts insects and also violates state and county health department guidelines and impacts environmental quality. Please dispose of your gray water properly at provided disposal stations and together we can protect our valuable public lands and waters. Failure to dispose of gray water properly may result in a citation for violation of Title 36 – Code of Federal Regulations.

ISLAND CAMPING

Camping is permitted only in established campgrounds and on islands (unless posted "No Camping"). When island camping, please follow the following guidelines:

- Dispose of waste properly – take all garbage out with you.
- Minimize campfire impacts; use only fallen dead wood.
- Do not leave your campfire unattended.
- The cutting of standing trees or limbs is prohibited.
- Be considerate of other visitors.
- Respect wildlife
- Allow for future use of the outdoors, leave the island better than you found it.

WATER SAFETY

When you're camping on Hartwell Lake, you will never be far from water. Over 300 people have drowned on Hartwell Lake and many of them knew how to swim. Always bring life jackets on camping trips and wear them when in and around the water. Never swim alone and don't leave children unattended.

**LIFE JACKETS
SAVE LIVES!**

Reservations must be made through the www.recreation.gov. Full payment at booking is required and confirms a reservation giving you the assurance, even during the busiest season, that a campsite awaits you when you arrive. Individual and double campsites can be reserved up to 6 months in advance and group sites at Crescent Campground up to 12 months in advance (no reservations taken for Georgia River).
