The map displays the state of Georgia with its county boundaries. Major roads are shown as thick black lines. The Atlanta-Fulton County Stadium is marked with a star in the north-central region, specifically in DeKalb County. A legend in the top right corner identifies symbols for primary roads (thick black line) and secondary roads (thin black line). A scale bar at the bottom indicates distances in miles (0, 10, 20, 30, 40, 50, 60, 70, 80, 90, 100).
